

SANDY VALLEY PARKS AND RECREATION MASTER PLAN

PUBLIC WORKSHOPS

Commissioner Boggs McDonald, through action by the Board of County Commissioners, approved funding for the SANDY VALLEY PARKS AND RECREATION MASTER PLAN.

Poggemeyer Design Group, working in conjunction with the Sandy Valley Parks and Recreation Master Plan Design Team, is developing the Plan. The Design Team is comprised of staff from Poggemeyer and the County, as well as residents of Sandy Valley.

In addition to surveys and other public outreach, there will be two WORKSHOPS where community input and feedback will be solicited. These WORKSHOPS will provide an excellent opportunity for residents to meet face to face with the design team and share ideas about parks and recreational amenities.

The Plan will be used to guide the development of parks and recreational amenities in Sandy Valley for the next 20 years.

We want this to be YOUR PLAN, so please stop by and share your thoughts and ideas.

Thursday, April 20, 2006

First Public Workshop -- 7:00-9:00 PM @ the Sandy Valley Community Center.

Thursday, May 18, 2006

Second Public Workshop -- 7:00-9:00 PM @ the Sandy Valley Community Center.
